******* VERY IMPORTANT*******

Please note that if you are coming to the convention and staying overnight, you must book your room through the hotel. While rates may be a bit cheaper through other travel websites, anything not booked through the hotel will not be counted toward our room guarantees stipulated in our contract. (And oftentimes, by the time you add on the state/county/room taxes on to the advertised price, it's pretty much the same amount give or take a couple dollars.) These room guarantees are provided as part of the negotiations with the hotel and are considerations for other no charge weekend amenities. These amenities help to keep the costs of the meetings low so that those extra fees are not passed along to the attendees.

Hotel Amenities:

The hotel has recently been remodeled. Each room has a flat screen TV, refrigerator, microwave, coffee maker, free wireless internet and outdoor patio with fireplace. Parking is also free. Hotel is within walking distance to many shops and restaurants. The hotel also offers a free shuttle service for locations within a five mile radius.

Service Project

This is a new event added this year! We are very excited to be the first to present this event. At the 2018 State Meeting there was a suggestion to have the weekend include a service project that would be selected by the hosting club. This year we are happy to announce that in memory of Meghan Roach, we are providing hats, blankets, and socks to the local Ronald McDonald House. As you may know Mary Grace Roach's daughter Meghan, passed away after a valiant fight with cancer. The Ronald McDonald House of Albany provides a haven of comfort, love, hope and support – free of charge – for critically ill children and their families. Their goal is to enable family-centered care by keeping children close to their families during a time of hardship.

This Volunteer Event will benefit the
Albany Ronald McDonald House (in honor of Meghan Alice Roach)

We would like to give you a few options for this NYSOMOTC donation to the Ronald McDonald House. We will have a workshop table set up and also devote some time immediately after the Saturday Lunch so everyone will have the opportunity to participate if they wish.

1. Buy and bring with you warm whimsical socks for the children who are guests at the house. The cuter and fuzzier the better. We will roll each pair
2. Make a no-sew fleece hat for the guests. Fleece will be cut and ready for you, and it will take less than 10 minutes to create an adorable hat.
3. Make a no-sew fleece blanket. Again, fleece will be cut and ready for you to make a blanket.

There may be a few other things that we add but will keep you informed in the Presidential Papers.

If anyone is interested in donating a yard or 2 of fleece and would like to pre-cut and bring to convention, please let me know.
