What a beautiful spring we have all had and summer is off to a great start. Thank you to all the clubs who got their dues in on time. POM and MMM were the 1st to arrive. I'm happy everyone returned from convention with energy to keep the momentum going. If you haven't sent them, get them in before the July 15 late fee kicks in. I know many clubs don't meet over the summer there are a few things to remember. Midterm will be here before we know it and thus registration/ hotel deadlines need to be tended to. Make sure club members are aware in case they would like to join us. It is a productive meeting and very interesting to participate in. The 1st Midterm meeting I attended, I came home as Photographer. That was in 2000 and I've been on the Executive Board almost ever since. It was a good way to "get my feet wet" so to speak.

There are a few open spots on the Executive Board. We need ladies for the MSS committee as well as a MSS Fundraiser Chair. The committee is a good way to introduce yourself to the Executive Board and "Get your feet wet too"! Feel free to reach out and ask any questions. Someone is always available to help you along. Enjoy your carefree summer days!

## Executive Board Letter

Sunrise, Sunburn, Sunset, Repeat.. that is what summer is all about. As well as making your hotel reservations and sending in your Midterm Registration. It is important all members of the Executive Board attend the Midterm Meeting on Oct 15 in Vestal. If you are not able, please contact me asap and get your report to Susie the Webmaster.

All Chairs need to have a report ready and sent in to her. You may think you may not do much or that your position isn't active until later in the year but what you do is important. I would like to see every Chair have a report sent in. In fact, I will reward the first 3 Chairs with their reports sent in by Oct 1! Yes, they are not due by Oct 1 but let's try to get them all in BEFORE her deadline. Make her life easier. You then need to print 8 reports for minutes approval and the elected board.

Thank you for all you do for this wonderful organization ladies.

Happy summer to all and use your sunscreen to avoid the sunburn!

Welcome to summer, Ladies; I am sure we are all still reveling and basking in the warmth we all felt at our long overdue State Meeting; what a great weekend we had. Our club is still talking about the great reunion we all shared. It makes us yearn for our Midterm Board meeting on October 14 2022 in Vestal, NY. Please make sure to complete your registrations and room reservations in a timely manner. The hotel staff informed me that that weekend is a busy one. In order to reserve your preferred rooms, please attend to this soon. As a reminder, the correct telephone number to call is: 607-729-6371. Corrections and reminders have been sent out.

As of this writing, more than half of our clubs have paid their state dues!! Thank you for sending in those checks on time!! Also, my hope is that all who became sick after our state meeting are on the mend, healthy and well again. Please contact me if help or assistance is needed by your club, or you know of an existing club who requests information about our great State Organization.

Please stay well, enjoy your precious families while you relax this summer.

Twincereely,

Barbi Cudney

# As The Turtle Goes...

MOTC SUFFOLK held a plant sale for a fundraiser. They will be trying out each others' recipes for the cookbook. The Suffolk Newsletter won first place at Convention. There are many adult and children's events in progress for the future.

WNY MOMS held an Easter Egg Hunt which was wonderful; 68 people had signed up for this. "The Silent Woods" by Kimi Cunningham Grant was discussed at their Book Club. It was received well and liked.

SCHENECTADY MOTC held their May meeting at Panera; Jackie is to receive her 25 year pin; she also won \$100 from the MSS Calendar Raffle. Kathy L has attended 35 conventions and will receive her pin also; she is now the State Chaplain. Jane Martinec is now the new Unity Project Chair! For a small club, they made large contributions to the State Convention; 15 baskets in total were donated.

WESTSIDE SUBURBAN MOTC held their annual installation of officers dinner on June 2. Our incredible Nita Landes was feeling up to the festivities and we were so ecstatic to have her take part of the evening. She led the installation with assistance from Karyn and Ann. Enclosed are some pictures of our events filled with love, laughter and pure fun.

Aw, summer – bees are buzzing, flowers are blooming and fresh fruit and veggies are a real treat in our house!!

Since my return from the State meeting, I have been working with Procedure Manual Chair Myriam Lavora to update the procedures for my position as Parliamentarian and as an ex-officio member of the Nominating Chairperson/Nominating Committee. While it may not be one of my favorite aspects of this position, it is necessary to ensure our organization runs smoothly and maintains its integrity. If you have not yet responded to Myriam's request to review and update your procedure, please read what your current position's procedures are and provide the updates you feel are necessary to Myriam at your earliest convenience. In addition, I have received and provided my feedback for the first draft of the minutes from the Friday Executive Board, Saturday General Meeting and the Sunday Executive Board meeting. I am also compiling the list of Old Business which we'll be addressing at the October 15th Midterm Executive Board meeting.

Please remember I am here to assist any NYSOMOTC member club with parliamentary procedure or concerns. Enjoy the summer weather with your family and loved ones – I'll see you in October.

I am adjusting to my new role as chaplain. I have reviewed the procedure manual for my job description. I am responsible for more than opening/closing remarks and sending cards. Brought to my attention after the recent state meeting was the omission of names on the memorial page in the program booklet. Omitted was Leon Smith, who was a member of TNT of CNY, and Fran Haeger, who was a member of Madison-Oneida. I am glad these were brought to my attention. As such, I would ask that each club look over the memorial page carefully and let me know if any other names should have been listed. There is a page in the State Rep's Packet for information needed to be sent to the chaplain. My address is: 254 Riverside Place, Alplaus, NY 12008.

I sent the following cards:

A wedding card to Pat and Melissa Cocchiara to congratulate them,

A sympathy card to Joanne Czajkowski on the passing of her daughter-in-law,

A get-well card to Nita Landes,

A thinking of you card to Dawn Landes, thanking her for taking care of our treasured Nita,

And a Birthday card to Nita Landes.

I will do my best job with your help. Thanks.

Hello MoMs,

Our scholarship winner, Rose Ftiha, received her Scholarship Award and her Certificate last month. She submitted the appropriate documentation for reimbursement and our Treasurer was able to send out her funds! We are still looking for both Judging Members (one Judge + one Alternate) and Fundraiser Chairs to support our committee. Without filling these positions we may not have enough support to maintain our fundraiser to support the scholarship fund. The fundraisers are held twice a year and there is significant club support, as well as others willing to pitch in to support the Chair. We can do it if we work together! Judging members commit to just 2-4 Zoom meetings per year as well as their time to Judge the applications in late February/early March. As I mentioned last month, we are looking forward to a busy scholarship year. This summer I will be updating all the scholarship forms to send out starting in September. The committee will meet to discuss the upcoming year and will outreach as necessary. If you have a contact or a particular school to which you would like the scholarship information sent, send me an email (NYSOMSScholarship@gmail.com) with the contact person/info and name of the school. After Sept. 1, 2022, potential applicants can contact me directly for the scholarship application materials at that email address too! Feel free to circulate this Eligibility Criteria for your high school graduates and college students to begin preparing for the scholarship submission.

## Checklist for Eligibility

1. An unmarried offspring who lives at home with their parent or legal guardian. The parent or legal guardian must currently reside in New York State and has for the last five years.
2. Applicant must be a high school graduate or equivalent and completed at least one term of postsecondary education. A GPA of 2.50 or higher is required.
3. Attached application must be completed and returned.
4. A complete personal resume is required. It should include all work history, education, plus involvement in any extracurricular activities, clubs, civic or community service.
5. At least two letters of recommendation that state the strengths and character of the applicant. The name, address, and phone number of the person writing the recommendation, as well as, the nature of the relationship and the length of time the applicant is known by said individual must be included.
6. Official sealed copies of academic transcripts from High School, College, or other accredited educational institutions attended. If the Applicant is a college Junior, Senior or Post Graduate, the High School Transcript is not needed.
7. Applicant must submit a 250-400 word essay. The title must be "How Higher Education Will Affect My Future." The essay must be typewritten, double-spaced and printed on white paper only.
8. Copies of Birth Certificates for the applicant and the multiple birth children (to verify multiple birth family status).
9. All documents need not be sent at the same time but must be postmarked no later than February 20th. In the lower left hand corner of all envelopes it must be written, "To be opened by the MSS Chairperson only." All required documents will need to be submitted by the February 20, 2023 deadline. Thank you on behalf of the MSS Committee.

Hello Ladies,

I hope everyone is getting to enjoy the beautiful weather we have had so far! It is hard to believe that our local club meetings are coming to an end, school is almost over – loved ones moving up a grade or graduating and heading off to their next chapter in their lives of adulthood. Even though summer is coming and we are running in different directions with sports, camping or family events that does not mean we have to stop enjoying our books. For some that is a difficult task but for others it is a passion and relaxation. I have provided a list of a few books that I know children at least in my district are enjoying, my children are personally enjoying and adults are posting about in the reading group I am a part of! I hope you all have a wonderful summer!

## Toddlers:

Do you know someone who is going to be in kindergarten this upcoming September? A new book release is perfect for them to hear

- I'm going to Kindergarten by Andrea Posner-Sanchez. This book is a terrific little golden book to get your little one excited to start kindergarten. This story is told from the point of view of a very excited student experiencing their first day of school.

## Kindergarten thru 3<sup>rd</sup> grade:

- Mo Willem's Pigeon Series: These are easy read books for children who may not sit long for a book or are learning to read. Any of Mo Willem's books are a great choice for young children between the ages 3-5.
- Green Eggs and Ham by Dr. Seuss: A class book about Sam who says he does not like green eggs and ham until he tries them. Once he does, he learns he actually likes them. Dr. Seuss's books are great beginner books that are fun, funny and easy to read. Truly any of his books are an amazing choice and are perfect for practicing readers age 3-7.
- Cat Kid Comic Club by Dav Pilkey: Cat Kid Comics is the newest graphic novel in the hilarious and heartwarming series. Comic club 3 is about how the siblings are trying to find their purpose. Readers off all ages (7-18, even adults) will enjoy this fun, exciting and purposeful graphic novel adventure
- Big Red Lollipop by Rukhsana Khan: Rubina has been invited to her first birthday party and her mother insists that she bring her little sister along. Rubina is mortified, but she can't convince her mom that you do not bring your little siblings to your friend's party. At the party her little sister demands to win every game, but after the party she steals Rubina's prized party favor. What is a fed-up big sister to do? This book I truly think many of us can relate to when we are juggling one child or family member being invited to a birthday party and the other not.

### Adults:

- Where The Crawdad's Sing by Delia Owens: This is part bildungsroman and part crime drama, centered around Kya, a wild and unkempt girl. The book follows the ups and downs of her life. She lives a lonely life, but her story is a hopeful one as well. With a little help, she's able to survive and even learn to read. **\*Please note this book can be controversial – some may not agree with some of the plot and how the characters get treated\***

A popular other I am seeing everywhere and hearing everyone talk about is Colleen Hoover. I have read a few of her books and have not heard anything bad about any of her books yet.

§ Few of her book titles:

- o Verity, Hopeless, It Ends with Us, November 9, and Reminders of him. \*\*\*\*\* READ THE TRIGGER WARNINGS\*\*\*\*\*

Sincerely,

Kristina/Krissy

State Representative Report  
May 2022

Parents of Multiples Club of CNY

POM of CNY recently traveled to Utica for our May Banquet.

We went out to dinner at Delmonico's Restaurant. The food was tremendous!

Susan Venditti, State Representative

Parents of Multiples Club of CNY

Hello from Schenectady!

Schenectady met at Jade Bistro Restaurant in Scotia for our traditional end of year dinner, the food was delicious! We caught up on what was going on in each other's lives and did a lot of laughing, lol! We did our Pass Around game with the \$10.00 worth of scratch offs we each brought in a plain envelope, four out of six of us won money ranging from \$2.00 to \$50.00! This may end up being a traditional game to play!

Kathy B., the State Nominating Chair, shared the news that several State positions will be open next year. She smiled at each one of us as she said this, I think it was a hint, lol!

After dinner we had Kathy L, our Club President, present Jackie with her 25th attendance pin for attending that many Conventions, Kathy L also gave her a copy of the, "Looking For You In 2022" program book so she could see her name under the 25 Years section! Despite the glitch of Kathy L not receiving her 35th attendance pin, we celebrated her continued dedication to the State Organization, hopefully she will continue to serve in some Board position in the future.

As usual we try and plan some type of get together during the summer. This year we are planning on carpooling up to Jane's camp in Brant Lake, NY. We are hoping for good weather so we can put our feet in the campground pond, enjoy a fire at Jane's, feed the horses just down the road and eat at one of the many great restaurants in Chestertown, just a few miles away. We will pick a date soon!

Schenectady would like to wish everyone a safe and fun summer!
