

LIBRARIAN

The Librarian serves as a resource person for the NYSOMOTC membership. They research and report on books and publications for children of all ages and parents about multiple births and families, fiction, non-fiction and biographies.

Newsletter Articles: Write articles for the Presidential Papers adding your suggestions on book selections and reviews.

- You may provide articles on the latest tools available to assist children and parents to learn about multiple birth families. In addition, current best sellers for adults and children of all ages, newly published books and digital content (e-books, audio books, pod-cast).

Files: copies of reports and the badge are returned to the Procedure Manual Chair at the end of your term.
