

# TWIN DATA REGISTRY

The Twin data Registry Chair is a liaison between the NYSOMOTC membership and researchers engaged in research projects involving multiple birth children.

**Twin Data Registry Form:** Form is available on the NYSOMOTC Website.

- Send the form via e-mail to the Member Clubs, once a year, with a reminder for the membership to fill it out.
- As the forms are received, log the names into a database.
- Organize the data forms by clubs.

**Super State Rep Award:** Club membership participation earns credit points towards the Super State Rep award. Email the Vice President a list of the clubs who have submitted the Twin Data Registry Form by no later than **March 15th**.

**At the State Meeting:** report the results to the membership.

**Executive Board Meetings:** Present a written report on the progress with the Twin Data Registry.

**Newsletter Articles:** Promote the use of the Twin Data form

- Request the State Reps to distribute the forms via their club newsletter, email, or access directly from the Website.
- Survey results are reported in the May/June issue of the Presidential Papers.

**Files:** Twin Data Registry records and the badge are returned to the Procedure Manual Chair at the end of your term.
