Hello Everyone!

My favorite time of year is upon us! I'm looking forward to a slower pace to enjoy exploring the beautiful colors, crisp weather and earthy smells. We are so lucky to be able to experience this season in NYS!

The first 4 months as your President have been very busy for me. We have had several Zoom Committee Meetings to work together to come up with solutions to move forward in our organization.

As of this writing, we have waited until September 1st to vote to approve the bid submitted by me as Chair and Lori Connolly as Co-Chair of the 2017 State Meeting. The bid was approved. We are excited to let you know that it will be held in Binghamton on April 15 -18th, 2027.

Wishing you all a very fun filled fall with your family and friends!

Pam Reussow - President

Hello Board Members!

Our Zoom Mid Term Board meeting is coming up on **October 18th**. Please get your registration form to **Renie Cutt with your payment, no later than October 1st**.

All officers please submit **your report for the meeting to Susie Smith no later than October 1st**. If you are not submitting a report, please let me and Susie know that.

Since we are Zooming this meeting we need you to be aware of these deadlines, so we have all reports to Susie so she can process them before the meeting.

The meeting **WILL NOT** be an all day event! We are cutting it down. So please plan on attending if at all possible. Keep an eye out for more details coming to you in October before the Mid Term meeting.

Thank you to all of you who have voted for the various items we needed to have approved over the last few months. We will be having some possible bylaws or procedure manual changes coming up for you at the Mid Term meeting to discuss as a result.

Happy Fall to you all.

See you at the ZOOM Meeting!

Pam Reussow - President

Who would have thought that Buffalo, New York would be reporting a heat wave in August! One definition of a heat wave is when there are 3 consecutive days with 90 or above temperatures and we did it! I had to report this as I am from Buffalo (Amherst).

Fall weather will be upon us soon and you know what that means! Yes - pumpkins, pumpkin spice items everywhere, apple picking, sweaters, etc. But what I am really referring to is our Midterm Board Meeting. Be sure to get your form and payment in. No driving this year - just get your computer set to the Zoom Call.

We would love to see our NYSOMOTC membership grow. If you know of or hear of any clubs out there, please give me their contact information so I can reach out to them. I would like to tell them all about this wonderful organization that they could be a part of. State Reps - keep those newsletters/write-ups coming. I do enjoy reading about your club and your club's ideas for activities. Keep in mind that these submissions count towards Super State Rep points. Be sure to read your State Rep guidelines and as always, you can reach out to me.

See you soon on Zoom - Midterm Board Meeting!

As the Turtle Goes...

Greater Rochester MOTC - In my previous report for As The Turtle Goes, I shared about how this Club met for dinner and had a school supply collection. See the photo page for photos they shared for us. What a nice idea this was to do prior to the start of school.

MOTC Suffolk - This club announced their Member of the Month for August. Congratulations to Jeannine Kellenberger. August 12th is their 1st meeting for the club year. A membership Drive is running from August to November 1st . Good luck with recruiting new members and report back to us on how you do. They have some fun events planned, including a Family Picnic on September 6th .

Westside Suburban MOTC - This Club had many plans for the summertime. One was lunch at Simply Crepes on July 27th - oh la la! They also had a summer picnic on August 10th .

WNYMOMs - This Club is having their 1st Board Meeting of the new club year on August 27 th . Their 1 st Regular Meeting is on September 10th . A family picnic was held at a club member's home. Vice President

Two Little Angels

The days were so special when I realized,
The feelings I had, I was hypnotized!
The coming of two little angels of love,
I knew too well, they were sent from above.

How little they were, when they first arrived.
The feelings of happiness, I'm surely surprised.
I glance in their eyes, as they gaze into mine.
Two little angels of hope, God gave me a sign.

Now time is passing day by day
My two little angels from God are growing up I'd say
Soon it will come to the point of anew
When they find them a love and bid me adieu.

I know I will dread, the day when they're grown,
My two little angels will be ready to walk alone.

Newsletter Contest

Last year there were not many clubs that entered the newsletter contest. I remember when we had so many clubs that we had to divide clubs into three (3) categories based by the number of members each club had. Well, things and the numbers have changed. I miss when we had lots of newsletters to read and judge.

I have been thinking of how to make all this work together. I have come up with some ideas and want to run this by the board and see what you think. (Ask your club members for any ideas. So have them ready at midterm.) Smaller clubs could send in a one/two page newsletter of some sort. Lets all get involved. I would not have a club of over 45 members judged along side a club with only 10. I have one judge secured already and will add a second one once this is settled.

Hello Ladies,

I hope you all have enjoyed this rainy than hot summer season. It is hard to believe school is ready to start again. I hope the school year brings great things for all the kids! 2026 State Meeting

While All the Presidents Friends took a bit of a break over the summer, we are back in the thick of it meeting in August to finalize our plans and begin work on our Third Call. Plans for Thursday night include a BrewCycle, a “pub crawl” on wheels. Their 14-passenger bikes will take participants on a two-hour tour around Saratoga Springs stopping at 3 different establishments.

Registration will be done using a Google form and details will be provided in Third Call. For those of you who would rather enjoy spending time with fellow NYSOMOTC members at the hotel, a Cinco de Mayo- themed mixology event is planned. Our Friday workshops will include a Book Club, Paint with Sea Glass and Chair Massages.

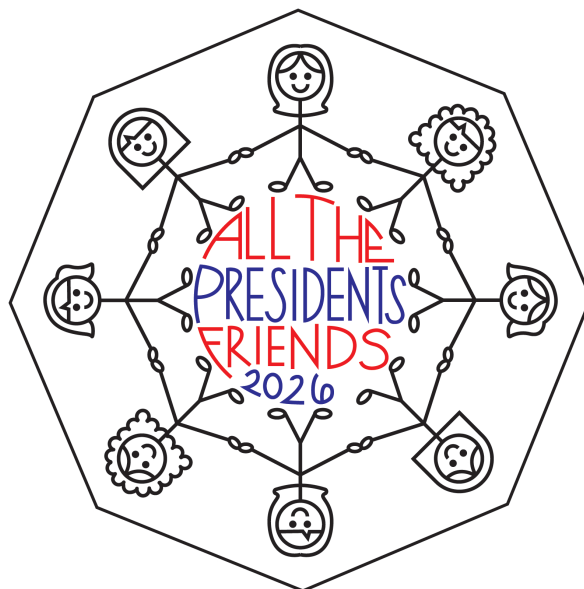

Our Friday evening’s party (included with your registration fee) will feature a trivia contest along with dancing with music provided by DJ Ketchup. Saturday’s luncheon will have a press conference theme. We will complete our weekend with dinner and our Presidents Ball where we will highlight the members “in the room” and recognize our local Club Presidents. Specific details will be revealed in Third Call.

Our current fundraising opportunity is another registration and one night’s stay at the 2026 State meeting. It is open to all members of NYSOMOTC and the drawing will take place at the Midterm Board meeting (you do not need to be present to win). Please check out our flyer in this newsletter for all the details and be sure to take part.

For our 2026 raffle room, we are asking for donations of either baskets or gift cards (with a minimum value of \$25) from the Executive Board as well as our individual club members. Please reach out to Myriam directly for more information or if you have any questions.

What a spectacular summer it has been here in Western NY. The sun always brings me joy! The humidity on the other hand does not!! I have been able to get outside every day and take my sweet dog Fiona for a walk. That was one of my summer goals and I'm proud to say I have been achieving that goal. I chose not to work at summer school this year so I made a list of things I wanted to accomplish over the summer. I have been doing a TON of yard work that has been neglected for years. That's where the weather has been so helpful. My husband and I have been exploring some of our local parks and I have been enjoying taking pictures of different aspects of the park. For NYSOMOTC, I have uploaded all the photos from the 2025 State Meeting to our google drive. I have put those pictures on 2 flash drives. 1 is for our archives and 1 for the 2025 hosting club. Those pictures should be available for viewing on NYSOMOTC website soon. I hope you all keep enjoying the summer and you too are able to take photos of things that bring you joy.

Hello from sunny and warm Rochester. I wanted you all know we have located the photo albums for the Twin photo registry. Some of you may not even know that they were misplaced. They are now with our archivist and will be able to be on display at the 2026 State Meeting in Saratoga Springs. I am so happy we located them. I would like to encourage you all to be a part of these photo books by sending me pictures of your club doing activities or you and your family. All you have to do is choose some photos, give them all to your state rep and she can send them on to me or send them yourself. I will do the rest. I'm asking club members to send me the printed pictures because it will help keep the NYSOMOTC budget down. Please have them printed on photo paper not printed on copy paper from the computer. If you would like to complete the photo scrapbook page yourself that is perfectly fine. Please use 12 x 12 inch paper as the backdrop for your photos. If a member completes a page or two, State Reps, you don't have to send me the completed pages. Just take a picture of it and send me an email letting me know the page is completed. Please bring it to the 2026 State meeting and I'll put it in the Twin Photo Registry album. If your club participates in the Twin Photo registry your State Rep earns points toward the Super State Rep award. I have purchased a new album so let's fill this album with new pictures this year. Here is my address right so you all don't have to search for it.

Hi all. Hope everyone is having a good summer. My daughter Olivia graduated from high school (aged out from Special Ed.) and started a new Day Hab. Program. She seems to like it so far. Soon I will be sending out all the final drafts of the minutes from the 3 meetings from our 2025 State Meeting to the Executive Board, so look out for those and please review before Midterm for any corrections. Thank you for allowing me to serve as your Recording Secretary. See you in October on Zoom!

Can't believe summer is almost over, some are sad about this, however I know there are a handful of us that can't wait for the fall weather so we can wear comfy sweaters, have the winds open and sit with a comfy blanket and a book we can't put down. Have a great first month back to school to anyone who works in a school and to the kids.

Children: Grumpy Monkey Mine! by Suzanne Lang: Monkey Grumpy learns the importance of sharing with others. This book tackles a common toddler issue.

Luna and the Witch Throw a Halloween Party by Aubrey Plaza and Dan Murphy: A feisty wannabe bruja and the kooky witch she helps to throw the best Halloween party of the season!

Middle School: Smile by Raina Telgemeier: Raina just wants to be a normal sixth grader. But one night after Girl Scouts she trips and falls, severely injuring her two front teeth. What follows is a long and frustrating journey with on-again, off-again braces, surgery, embarrassing headgear, and even a retainer with fake teeth attached. And on top of all that, there's still more to deal with: a major earthquake, boy confusion, and friends who turn out to be not so friendly.

Young adult: Better than the movies by Lynn Painter: In this rom-com about rom-coms, a hopeless romantic teen attempts to secure a happily-ever-after moment with her forever crush, but finds herself reluctantly drawn to the boy next door.

Adult: Butcher and Black Bird by Brynne Weaver: Dark romance novel featuring two rival serial killers who form an unlikely bond while hunting down dangerous criminals.
